

HS-210U

USB Headband Headset

The new *HS-210U* is an ideal USB PC headset for online chatting. By utilizing the USB connector, you can just plug it into any PC or Mac and it is ready to go. The adjustable headband is stainless steel which provides extra durability for extended use. The 360° adjustable goose neck microphone allows you to find the right position to speak so you will be heard clearly. For added convenience, we've included a control box that provides volume control and microphone mute functions right at your fingertips. The *HS-210U* lightweight design is not only comfortable but also easy to carry. For quality sound at an affordable price, the *HS-210U* is your solution.
