ECO-8015
Rechargeable Wireless Mouse

Rechargeable Wireless Mouse with Special Scroll-n-Zoom

Green up your life! Genius wireless mouse, ECO-8015, not only is RoHS compliance but also provides an environmental friendly design with NiMH rechargeable battery so no more battery replacement is required. The mouse simply works whenever you need, wherever you are and continues to function even when it is being recharged through the standard Micro USB port.

Together with the Genius Smart Engine, also known as smartGenius App, this luxury metallic hairlines designed mouse will alert you when the battery level starts to run low. The Smart Engine also enables the mouse's scroll wheel with a special zoom-in & zoom-out function on application content when the wheel is pressed and moved forward or backward.

Product features

- **ECO & Safe** - With RoHS materials and safety protections.
- **Rechargeable & longer battery life** - Save the money on batteries. A power saving solution also extends a longer battery life.
- **Scroll-n-Zoom**- Smart Genius enables ECO-8015 to zoom the screen by scrolling the mouse wheel.
- **Latest optical technology** – Able to move on a variety of materials, ECO-8015 will move accurately to your needs.
- **Fashion and Elegant**- Luxury metallic paint with exquisite craft appearance.
- **Micro USB port** - Easy to recharge, ECO-8015 is also workable when charging.
